

What Pond's Rock & Waterfall Cleaner is a dissolvable "no-mess" formulation that brings a safe and powerful oxygen based cleaning to waterfalls, streams, fountains, statuary and other water feature surfaces. Great for use in koi ponds.

CAUTION: Harmful if swallowed. Eye and skin irritant. Avoid contact with eyes and mucus membranes. In case of eye contact, flush with water for 15 minutes and call a physician. Do not ingest. If swallowed, do not induce vomiting. Drink water and seek prompt medical attention. If inhaled, immediately move person to fresh air, and call a physician. In case of skin contact, remove contaminated clothing and wash the infected skin with water. Wash clothing before reuse. Contains sodium percarbonate and sodium carbonate.

Rock & Waterfall Cleaner

- **Effective Oxygen-Based Cleaner**
- **Quickly Cleans Rocks, Waterfalls & Statuary**

DIRECTIONS:

For spot treating waterfalls & streams:

- Turn off waterfall pump and apply a light layer of powder to the problem area
- Let stand while the cleaner is working (usually 10–15 minutes)
- Turn pump back on

For treating underwater rocks, pond sides, ledges, fountains and statuary:

- Apply a light layer and measure results
- Apply a second layer as needed to complete the coverage desired.

Avoid contact with plant leaves. Product may cause short term spikes in pH levels. Keep out of the reach of children. Great for ponds with fish & aquatic life.
